Nationwide Coverage

Freshtoday Coverage

Freshtoday entered the school meals market in 2009 with the objective of providing a higher quality lunch and offering parents and schools an all round better package.

Freshtoday have developed a new interactive website making it very user friendly for our ever increasing client base.

Based on the success of Wexford in 2009 freshtoday has opened new kitchens in Dublin, Clare, and Longford.

Freshtoday Menu

Food Quality

Following research in 2009, Freshtoday recognised that the quality of the hitherto sandwich served to school children could be greatly improved upon.

At Freshtoday, our team are totally committed to supplying the highest quality products.

As you can see from the sample sandwich, there is a better all round quality with the Freshtoday product.

Freshtoday sandwich is presented in a commercial sandwich wedge which gives the impression of a retail sandwich. Good presentation combined with guaranteed quality ingredients are the two important factors which we attribute to the significant increase in demand for Freshtoday products.

Hand Crafted

Each Freshtoday sandwich is individually handmade, as per the child's order, from a deli style counter. This has allowed us to augment our sandwich with additional benefits such as....

- Little Butter
- Butter
- Mayonnaise
- Iceberg Lettuce

Freshtoday Menu

Food Quality

All Freshtoday sandwiches are handmade by a person associated with the school. They are not made by a machine.

Freshtoday use the highest quality products available in the school meals market.

Freshtoday offer up to a four filling sandwich, including up to two salads.

Schools use this money to buy. for example

- 5 Interactive White Boards
- 21 iPads
- 850 Trips to Dublin Zoo

Payment

Paid three times a year Christmas, Easter and Summer.

Try Freshtoday

How it works

Try Freshtoday in two classes at no additional cost to the school and with no commitment or obligation.

Freshtoday would like to go on trial with two classes.

Benefits of a trial period

- Allows you to make an informed decision as to which lunch provider is best suited to your school.
- Allows the children who eat the lunch have their opinion heard as to what lunches they actually prefer.

We set up a test run in June which proved to be very successful. Accordingly we switched to Freshtoday.

- Ms Deborah Murphy, Principal St. Josephs

Why Freshtoday?

Proven Track Record

Freshtoday supply 40,000 lunches per week to schools. Our food quality and track record is proven., see attached references.

Local Employment

We create a new industry in the community with preference given to employing parents or past pupils of the schools being serviced.

Food Quality

Students benefit from fresher lunches, increased concentration in class & higher energy levels. The food is all sourced from local suppliers. The only part of the business not based locally is the website!

Online Ordering

Our state of the art online ordering and SMS system enables the children to eat exactly what they want everyday.

Environmentally Friendly

We support schools' green flags initiatives and use only recyclable packaging and provide recycling bins.

Donation

Freshtoday's donation will allow the school continue to offer other support to the children despite the cuts in the budget.

To Whom it May Concern

I wish to confirm Freshtoday has approached PARTAS with the view to finding Freshtoday a suitable production unit in Tallaght, to produce school lunches for the local schools in the area.

Having discussed Freshtodays' requirements with our Property Manager, Partas can provide Freshtoday a suitable unit in Brookfield Enterprise Centre which has the capability of producing 4000 school lunches per day.

For every 350 lunches Freshtoday secures from the schools in Tallaght it will provide one additional full time employee in Brookfield Enterprise Centre.

Freshtoday has a proven track record of setting up small catering units in local areas to provide school lunches, within those areas.

In Wexford, Wexford County Enterprise Board supported Freshtoday in securing 8 new full time jobs. In Dublin 7, Dublin City Enterprise Board supported Freshtoday in securing 5 new full time jobs.

Partas in conjunction with the local schools would be delighted to support Freshtoday in their proposal to create 11 full time jobs in Brookfield Enterprise Centre.

The Tallaght area is in need of new enterprises especially given the potential to provide employment to the local community. Needless to say the value to the schools in receiving freshly produced food on their doorstep from Freshtoday is an important benefit for the children and their parents.

To Whom It May Concern:

FreshToday.ie deliver lunches to 85 of our students on a trial basis at present in St. Mark's Community School. To date we are extremely impressed with the quality of lunches delivered, especially the sandwich quality, as the filling is quite substantial.

Ray Nagle and his brother Richie have provided an excellent service to our students. They personally were on hand for the first week to assist any student who had difficulty placing an order on line, or by text. We have had some great feedback so far from students who are very pleased with the service.

REF: Killinarden SCP - School Meals Provision Review, 9th May 2012

Dear Richard,

I would like to thank you for recently presenting to the Killinarden SCP Management Committee in relation to the School Meals Service for 2012/2013.

I am pleased to inform you that following deliberation the decision has been taken to invite Freshtoday to become the Primary Provider of School Meals in Killinarden for the coming year. The standard of your product, your attractive terms and your professional approach was praised by all of the Principals.

I will be in touch shortly regarding details of schools for next year and finally, I would like to remind you that, subject to the satisfaction of the schools, this arrangement will be reviewed again in April 2013.

Yours sincerely,

Liam McLaughlin

Don té lena mBaineann Sé,

"Fresh Today" supply approximately 200 lunches to this school per day under the School Meals Lunch Scheme.

The quality and variety is very good. The children / their parents can go online and choose from a wide selection on a weekly basis. There is a choice of soup, sandwiches - with a range of bread and fillings - wraps, bagels, fruit and fruit juice.

The lunches are individually wrapped and labelled and put into a sealed container - one per class.

These lunches are prepared overnight and they arrive in school every morning no later than 9.30 a.m. - fresh and tasty.

The people who run the business, Ray and Richie, are professional and very approachable in the way they operate and are always open to suggestions.

RE: Reference for Fresh Today

To Whom it May Concern,

I would like to provide a reference for Fresh Today who are supplying a canteen service to St Kevin's College.

The Board of Management invited several food companies to tender for the preparation and supply of school lunches to the school for the academic year 2011/2012. Fresh today were the most impressive in the presentation of their service and they were awarded this contract by the Board.

I have found the company very reliable and professional with a quality service being run on a daily basis in our school. I find both Ritchie & Ray Nangle very flexible and easy to work with and they have forged excellent relationships with both the students and staff of St Kevin's College.

The feedback from the students and parents has been excellent and we look forward to continuing with this service into the future.

Please contact me if you require any further information regarding Fresh Today.

To Whom It May Concern,

I would be delighted to recommend 'Fresh Today' to you as a supplier of lunches to your school.

The company has proved to be efficient, organised and professional. The managers are accommodating and helpful and make every effort to meet the needs of our school.

Ideally for our school, parents manage their own child's lunch which takes the administrative burden off the school. This is a very easy process for parents.

The food is fresh and of very good quality, and delivered without fail at the same time each morning.

I wish 'Fresh Today' all the very best in the future and thank them for a great quality service to our school.

Freshtoday School Lunches

A Chara,

Since September of this year Freshtoday have been delivering school lunches to Rathnure N.S.. They deliver 134 lunches each day and the service provided is excellent.

Lunches provided are of the highest quality and use local produce. It was important to us that local produce was sourced. All pupils are very happy with what they get. Parents have full control of what lunch their children receive from the menu and can change lunches online, via text or by phone.

Delivery is every good and always arrives to our school at 9am. Brian and Ray are constantly in touch with the school to ensure that the service is running smoothly.

I would highly recommend this company.
